DEPARTMENT OF COMMERCE FACULTY OF COMMERCE AND BUSINESS DELHI SCHOOL OF ECONOMICS UNIVERSITY OF DELHI

The Department of Commerce formally set up as a separate entity in 1967, has imbibed the DSE tradition of exploring new frontiers of knowledge and innovation in academics. In its history spanning over 55 years, it has redefined commerce education in the country. The Department of Commerce is based upon the federal character where we have the liberty to formulate the courses which run in more than 60 colleges of University of Delhi wherein more than 1200 teachers teach commerce to approximately more than 10,000 students. The Department has the legitimate claim and pride of being the premier institution in India for course curriculum development, teaching, and research in the

Commerce discipline. The rapid growth of the Department of Commerce is reflected in its expansion as well as the novelty in its academic programs. In addition to the traditional M. Phil., Ph.D., and flagship M.Com. program, Department of Commerce initiated two master's degree level professional programs, Master of International Business (MIB) and Master of Human Resource and Organisational Development (MHROD) as a response to market imperatives in 1995. In this span of twenty-seven years, these two programs have come to be recognized as well-regarded Master's programmes in business administration in the country. Both the courses, viz. MIB & MHROD have been well received by the industry to date. The nomenclature of these two professional programs has been recently changed to MBA (IB) and MBA (HRD).

The Department of Commerce has launched an MBA (Business Analytics) programme from Academic Year 2023-24 as well. It is expected that the new age program would be well received by the corporates and would add more to the Department of Commerce.
